

# SALES

# OPPORTUNIT

# IES INTERNSHIP

## PROGRAM BENEFITS

This is a paid sales internship program at Arbon Equipment Corporation, a Rite-Hite owned distribution company. Interns will experience a typical daily sales work routine across various job functions, including outside sales, service coordination, administration, and customer satisfaction surveying. The internship program is designed to give participants the best opportunity to become acclimated to the loading dock and door industry.

Interns will be challenged to progress intellectually and contribute to real sales projects, help develop relationships with customers, and gain hands-on experience that can assist them in acquiring a potential full time sales position with the company.

## APPLICANT PRE-REQUISITES

» Pursuing a Bachelor's Degree in business administration or a related degree. (Academic standing of a Junior or Senior) » High level of personal motivation/ability to work autonomously on multiple projects at one time » Strong interest in outside sales as a potential profession » Strong interpersonal and communication skills » Proficient with Microsoft Word & Excel
